

RSU 26 “Green” Next Steps Plan

Approved by RSU 26 Board of Directors on October 20, 2020

RSU 26 seeks to increase the number of students at school for full-time, in-person instruction *as long as conditions permit*. After a review of survey data, room capacities, class enrollments and public health data, we recommend the following for a plan to bring more students back in a gradual, phased manner.
